Jim, Call today from Clifford Korsedal, 16709 Avon, Detroit, Mich., 48219 with a set of the 26 yo sell. He says that are in good shape, not marked up, and he is asking $650. I told him it just happened that a week ago someone had told me that he'd like to have a set for which he'd go ~~$580~~ $550. I did not haggle with him. I told him I'd relay the fact that he had these to sell. But if I were you I'd start at $550 in offers. If this fellow had a market he'd not have been calling me. I'd also ask for assurances on condition and insured delivery. Best to you all, HW 6/20/77
